

**Vacancy Announcement
District Technical Advisors (3 Positions)
Duty Station: Uvinza/ Kasulu/ Kibondo**

The Belgian Development Agency, BTC, mobilizes its resources and its expertise to eliminate poverty in the world. BTC contributes to the efforts of the international community and works towards a society that provides present and future generations with sufficient resources to build a sustainable and fair world. BTC has the vacancies in the project “**Natural Resources Management for Local Economic Development in Kigoma Region (NRM-LED)**” The project aims at improved enabling environment and strengthened capacities for sustainable management of Natural Resources linked to an equitable Local Economic Development resulting in increased benefits for the communities of selected landscapes in Kigoma Region”.

The direct beneficiaries of the project are the local users of NR organized in Community Based Organizations (CBOs) for NRM; Local, and Regional Government Authorities, Non-state service providers and the Private sector, who associate themselves with the project implementation through partnerships in order to improve their management of Natural Resources in interaction with community partners.

The project execution period will have duration of 60 months, of which 9 months will be for the inception phase/baseline and 51 months for the implementation and exit. The project’s central coordination team will be based at the Kigoma Regional Secretariat and implementation teams will be based in the District Councils of Uvinza, Kasulu and Kibondo.

The project will be led by a Project manager from RS office and a BTC employed International Technical Advisor as co-manager. The team will comprise of (4) other BTC employed National Technical Advisors and supporting staff. One Technical advisor will be stationed in each of the 3 districts. Now, BTC seeks to recruit for the 3 District Technical Advisors,

Expected starting date: 1st September 2014
Max. Duration: 56 Months

Basic functions and responsibilities:

The DTA is employed by the BTC Resident Representative (represented by the project co-manager).The DTA is an associate member of the PIU and is under the leadership of the Project Manager and Co-Manager, the DTA has a key role in assisting project implementation through the District Facilitation Team and/or any NRM Implementation Partner in the assigned districts. The DTA is, together with the District Executive Director (DED), of the allocated districts, responsible for the planning, coordination, implementation and monitoring of the project activities according the agreed work plan, budget and modalities.
